FY 2020 Alabama Forfeiture Report

We are pleased to provide you with the second annual report of civil asset forfeitures in Alabama. This initiative began through the efforts by ALEA, the Alabama District Attorneys, the Office of Prosecution Services, Alabama Chiefs of Police and Alabama's Sheriffs, and was later codified by the Alabama legislature. This report provides a more detailed summary of the reported seizures of property by policing agencies related to criminal actions and civil forfeiture actions by state prosecutors during fiscal year 2020. When a seizure results in a due process action in an Alabama court of law, the following data is entered into a database by one of Alabama's District Attorneys. Within the report, you will find a summary for each circuit and seizing agency.

Background

Asset forfeiture is a civil court action used to either disrupt criminal activity by confiscating instrumentalities used to commit crimes, or deprive criminals of the proceeds of crimes. In 2018, the Alabama Justice Information Commission ("AJIC") and the Office of Prosecution Services ("OPS") voluntarily created this process for reporting civil asset forfeiture actions in Alabama, which originated when state prosecutors created a standard report submission process. The Legislature adopted that process and codified it into law with the **Alabama Forfeiture Information Reporting Act** (§§ 41-9-655 et al., Ala. Code 1975).

Following statutory mandated standards, a state prosecutor has the discretion to file for the civil forfeiture of property seized by police while investigating a criminal event. Before an item or currency may be seized, there must exist probable cause that the item or currency is the instrument of a crime or criminal enterprise or that the item or currency is the profit or proceeds from a crime or a criminal enterprise or were lawfully recognized abandoned property or contraband. The state has the burden of proof. The prosecutor generally has a short window of opportunity to file for forfeiture after the seizure, but it may take considerable time for disposition of that property. Therefore, the reported numbers associated with forfeitures during the fiscal year do not directly correlate with the number of seizures for the same time period. Further, there may be multiple civil forfeiture cases related to the same criminal activity or multiple dispositions for property seized during a single seizure event. For example, police may seize a vehicle and currency related to a crime. The court may decide to keep the currency but return the vehicle to the offender's spouse, or other third-party claimants or innocent owners.

All seizure and forfeiture actions in this report are subject to due process and judicial review. Any person from whom an item or currency is seized has a right to object and an opportunity to be heard. The state has the burden of proof to prove that the items or currency were the proceeds of a crime, contraband, lawfully recognized abandoned property or an instrument of criminal behavior.

FY 2020 Alabama Forfeiture Report

Automated Reporting

AJIC, through the Alabama Law Enforcement Agency, and OPS jointly developed the **Alabama Forfeiture Accountability System** (“AFAS”), which is an online reporting information system for Alabama prosecutors that allows each circuit to electronically enter forfeitures. The attached report is based on the seizure and forfeiture actions entered into this system.

General Policing Statistics

As you review this report, please keep in mind the overall activity of Alabama's 11,000-plus sworn officers. In FY2020, statewide law enforcement officers were involved in approximately **500,000** criminal or public safety-related events, leading to more than **150,000** custodial arrests. Law enforcement officers also issued over **1,100,000** traffic-related tickets or warnings during this timeframe. This report should be received in the context of the overall activity and interactions of Alabama’s law enforcement and the public.

Final Note

Because AFAS is only in its first year of production, some information related to seizures or forfeiture actions during the past fiscal year may not be complete as of the date of the report. AJIC may release an updated report later this year.
