Valid Alabama Temporary Documents

7/1/2015

ONLINE RENEWAL SAMPLES

The license pictured here was obtained from the online renewal portal hosted by Alabama Interactive. The valid web address for this site is located at https://www.alabamainteractive.org/dl_renewal/welcome.action and will allow renewal or duplicates of valid driver licenses and identification cards.

Shown below are the two variations of the documents that citizens may produce for identification and driving purposes. Both of these temporary documents are valid.

Full Temporary Document with Receipt

This is an example of a full piece of paper (8.5 X 11) that some citizens may present as identification. This is a valid document for driving and identification purposes.

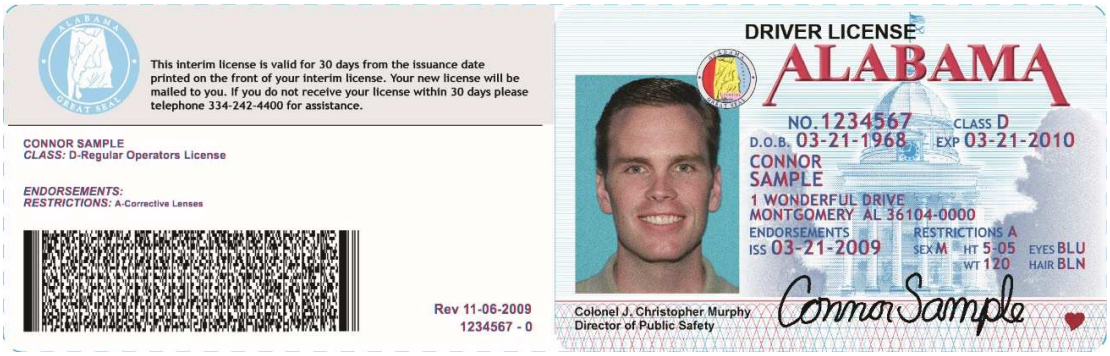
ALEA Driver License System (Driver License/Probate/License Commissioner)

ALEA is in the process of replacing all driver license equipment statewide. Listed below are both the old and new formats of the temporary documents produced from both systems. All of these are considered valid for driver and identification purposes.

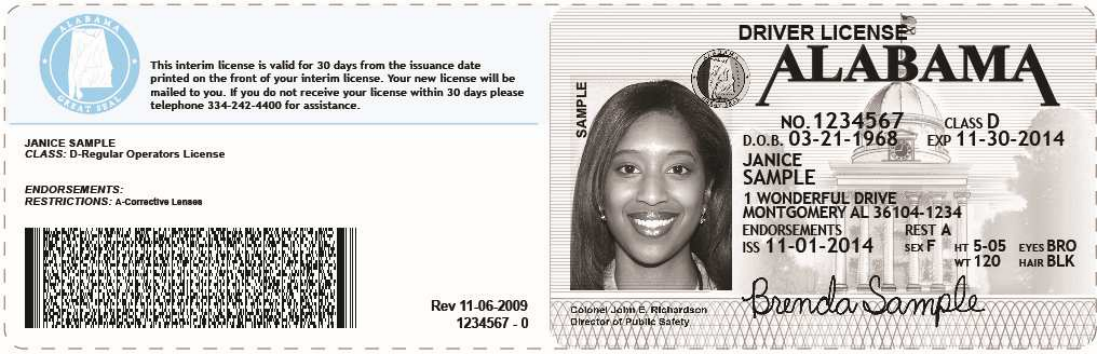
OLD TEMPORARY DOCUMENT (COLOR)

This document has been produced by the Driver License system since 2005 until the computers and software were updated starting April 2015.



NEW TEMPORARY DOCUMENT (B&W)

This document will be the new standard starting in Montgomery in April 2015 and eventually statewide as we are able to replace all Driver License equipment.



ALEA DRIVER LICENSE KIOSK (SELECT LOCATIONS STATEWIDE)

The images below are from a renewal kiosk similar to an ATM machine that is available at District Offices. These machines only perform renewals and duplicates similar to the online renewal website. These temporary documents are valid for driving and identification purposes. NOTE: This document is printed on thermal paper and has a black and white image.
