TO Public Notice #2

RE Request for Proposal – Alabama Public Safety Broadband Radio Access Network

The closing date for the Request for Proposal (RFP) regarding the Alabama Public Safety Broadband Radio Access Network (PSB-RAN) will be extended to the fifteenth (15th) business day immediately following the public announcement of the First Responder Network Authority (FirstNet) nationwide contractor/bid award winner for the Nationwide Public Safety Broadband Network (NPSBN). The closing time will be 4:00 PM Central Standard Time (CST) on the day previously stated.

ALEA has implemented a Question Submission period for this RFP. Respondents may submit AL PSB-RAN related questions to the AL PSB-RAN RFP Coordinator listed in the original RFP document no later than Monday, October 24, 2016 at 4:00PM Central Standard Time (CST). Answers to all anonymized questions will be posted as an amendment to the RFP at a later date.
