Standard License or ID Temporary Permit for Adult Sex Offenders

The Alabama Sex Offender Registration and Community Notification Act¹ ("Act") requires a designation of "Sex Offender" on State of Alabama Driver Licenses and Identification Cards issued to adult sex offenders within fourteen (14) days of registration. This form allows an adult sex offender to carry his or her non-designated license or identification card for THIRTY (30) days from the *Date of Issuance* listed below if the offender's information is not yet entered into the State Sex Offender Registry.

Offender

At the expiration of this time period, I understand I am required to return to the driver license office to obtain a driver license or identification card with the sex offender designation placed on it. At this time, I understand that I am to relinquish any other driver license(s) or identification card(s) previously issued to me which does not bear any designation enabling law enforcement officers to identify me as a sex offender to the Alabama Law Enforcement Agency.

By signing below, I acknowledge that I have read the above information and responsibilities and that I am aware of all that is required of me under the Alabama Sex Offender Registration and Community Notification Act. If I fail to comply with any provision of the Act, I understand that I may be charged with a Class C felony in Alabama.
