The Alabama Law Enforcement Agency (hereinafter "ALEA") is seeking proposals from qualified professionals or professional organizations to provide psychological services for mental wellness screening examinations for newly appointed and current law enforcement officers and civilian staff that are assigned to the Internet Crimes Against Children (ICAC) Unit within the State Bureau of Investigation.

All interested vendors are invited to submit a proposal in accordance with the requirements specified in this RFP.

The successful vendor will be required to assess the psychological stability and suitability of sworn and non-sworn personnel within the ICAC Unit due to the exposure of child sexual abuse material (CSAM.) The number of employees requiring mental wellness assessments may also vary. No minimum amount of work is guaranteed. The maximum number of evaluations (wellness screenings) shall not exceed 60 in a calendar year.

Vendors must provide the services of an individual (or individuals) that meet the following minimum professional qualifications:

PhD in clinical psychology, philosophy, or a similar field, from an accredited university;
Licensed or certified to practice psychology, psychiatry, or professional counseling in Alabama (proof of licensure/certification must be included with proposal); In good standing with licensing/certification agency with no previous or current disciplinary issues;
Minimum of one (1) year post-graduate experience providing psychological services;
Demonstrable testing and assessment experience/expertise in evaluating and interviewing candidates (in-person) for employment purposes; and Experience conducting pre-employment and/or fitness for duty evaluations in accordance with the Americans with Disabilities Act (ADA).

Additionally, the following qualifications are required:

Use of defensible procedures, conclusions, and recommendations in line with accepted best practices in the field of psychology with demonstrated successful defense of the same in legal proceedings.

Vendor must provide, along with the proposal, an up-to-date resume of any individual who would be performing services under any executed contract.

Along with any resume, vendor will provide a minimum of three (3) professional references for such individuals, including the reference's name and telephone number. References should be capable of speaking to similar contracts/services rendered by vendor.

Liability and/or malpractice insurance will be the responsibility of the contract provider. Vendor must provide evidence of adequate insurance with its proposal and maintain adequate insurance coverage for the entire duration of any executed contract.

SERVICES REQUIRED

The successful vendor will be required to meet the assessment needs requested by ALEA.

The successful vendor will conduct bi-annual general assessments of ICAC Unit members. These assessments are to ensure that members of the ICAC Unit aren't experiencing mental wellness concerns from investigating and the viewing of child exploitation material and/or child sexual abuse material.

The general results of, or conclusions from, these bi-annual general assessments will be shared with the ALEA SBI ICAC Coordinator. The specific basis for the contracted vendor's assessment conclusions will not be included in the final assessment reports provided to the ALEA SBI ICAC Coordinator, except for the following:

If the contracted vendor concludes there is a serious risk of harm or danger to the individual or others if the specific facts are not disclosed.

When failure to disclose specific facts would expose the contracted vendor to civil or criminal liability or be inconsistent with professional ethics in their field.

If the employee has given written or verbal consent to the disclosure by the contracted vendor to the ALEA SBI ICAC Coordinator.

Assessments will include standard clinical evaluations of general mental health as determined by the ALEA SBI ICAC contracted vendor, as well as discussion and investigation of more specialized concerns affecting exposed individuals.

The assessment will provide prevention, education and early intervention in the case of any difficulties.

Data from the assessments may be collected for purposes of program evaluation with VERY SPECIAL ATTENTION GIVEN TO CONFIDENTIALITY.

Assessments are not related to fitness for duty examinations. All incidents involving a request for a fitness for duty examination will follow established ALEA Personnel Policies and Procedures.

The only record that the contracted vendor will release from the meetings will be the Participant Attendance Record Form. The form will be used to document that the member was present and to reconcile invoicing of all billable visits. All content, information and

records of the mental health wellness meeting will remain strictly confidential. Information will only be shared by the member's or attendee's expressed desire and written permission. The only exception is when the contracted vendor's release of information is required by law to prevent harm to self or others.

General terms and conditions provided by the Alabama Department of Finance through the STAARS Procurement System are hereby incorporated into this RFP by reference.

A standard agency contract will be required. Upon acceptance of Vendor's proposal by ALEA, the parties will execute a formal contract, in writing, duly signed by the proper parties thereto, which shall be subject to review by the Contract Review Permanent Legislative Oversight Committee of the State of Alabama and the approval and signature from the State of Alabama. Vendor will assume responsibility for providing services under the executed contract on the effective date of the contract, which will be the date of approval and signature of the Governor of Alabama or her designee. The executed contract will not be effective until it has received all requisite state government approvals. Vendor shall not begin performing services thereunder until notified by ALEA. Vendor will not be entitled to compensation for work or services performed prior to the effective date of the contract.

ALEA is not responsible for and will not pay or reimburse any associated cost incurred by vendor in the preparation and submission of vendor's proposal or in any processes associated with vendor's participation, regardless of whether vendor is selected.

This RFP does not, by itself, obligate ALEA; such obligation shall commence only upon the execution of any approved contract. However, part or all of this RFP may be incorporated into any executed contract, along with Vendor's proposal. ALEA hereby reserves the right to add terms and conditions during contract negotiations, within the scope of this RFP.

The anticipated contract term for this RFP is a two (2) year period. ALEA reserves the right, however, to include up to three (3), one-year renewal options, at its discretion, in any initially awarded contract. When provided for in any executed contract, ALEA has the sole option to exercise renewal options. To be effective, any renewals must also be submitted and approved by the Alabama Contract Review Permanent Legislative Oversight Committee and require the approval and signature of the Chief Procurement Officer and Governor of the State of Alabama.

The selected vendor may be required to enter into contract negotiations at the discretion of ALEA. If an agreement cannot be reached to the satisfaction of ALEA, ALEA may reject the vendor's proposal or revoke the selection and begin negotiations with another qualified and responsive vendor.
