General terms and conditions provided by the Alabama Department of Finance through the STAARS Purchasing System are hereby incorporated into this RFP by reference.

A standard agency contract will be required. Upon acceptance of Vendor's proposal by ALEA, the parties will execute a formal contract, in writing, duly signed by the proper parties thereto, which shall be subject to review by the Contract Review Permanent Legislative Oversight Committee of the State of Alabama and the approval and signature of the Governor of the State of Alabama. Vendor will assume responsibility for providing services under the executed contract on the effective date of the contract, which will be the date of approval and signature of the Governor of Alabama or her designee. The executed contract will not be effective until it has received all requisite state government approvals. Vendor shall not begin performing services thereunder until notified by ALEA. Vendor will not be entitled to compensation for work or services performed prior to the effective date of the contract.

*ALEA is not responsible for and will not pay or reimburse any associated cost incurred by vendor in the preparation and submission of vendor's proposal or in any processes associated with vendor's participation, regardless of whether vendor is selected.*

This RFP does not, by itself, obligate ALEA; such obligation shall commence only upon the execution of any approved contract. However, part or all of this RFP may be incorporated into any executed contract, along with Vendor's proposal. ALEA hereby reserves the right to add terms and conditions during contract negotiations, within the scope of this RFP.

The anticipated contract term for this RFP is a one (1) year period.

The selected vendor may be required to enter into contract negotiations at the discretion of ALEA. If an agreement cannot be reached to the satisfaction of ALEA, ALEA may reject the vendor's proposal or revoke the selection and begin negotiations with another qualified and responsive vendor.

Any exceptions to the specified terms and conditions must be clearly set forth in vendor's proposal and are subject to ALEA's acceptance of the same. Vendor shall not employ any individual with a conflict of interest to perform any service described in this RFP.

Vendor selection will be based on the proposal that meets or exceeds the requirements set forth in this RFP. Proposals will be evaluated based on the quality and completeness of the information provided. Vendors must provide comprehensive statements that illustrate their understanding of the proposed contract requirements.

ALEA may request an oral presentation or conduct interviews to support vendor's written proposal.

Any vendor whose proposal does not meet the mandatory requirements and does not provide a primary proposal that meets all the required specifications of the RFP will be considered non-compliant.

Proposal evaluations will be scored based on the response to the requirements of this RFP and held as the primary proposal. Alternative proposals will not be considered as the basis for the evaluation of the successful vendor. All proposals received will become the property of ALEA. ALEA further reserves the right to use for its benefit the ideas contained in proposals received.

After the evaluation of proposals received and selection of the successful vendor, the selection and the award will be posted on the agency's website, [www.alea.gov](http://www.alea.gov). Upon ALEA selecting a vendor's proposal for contract negotiations, ALEA will send the vendor written notice. Notice letters sent or posted during proposal firm time, or during any extension thereof, will extend the proposal firm time until such time as ALEA signs a contract or determines negotiations with the vendor have failed. Receipt or posting of a notice of award is not the equivalent of a contract with ALEA. ALEA anticipates making a vendor selection within no more than **48 hours** from the date scheduled for proposal opening but reserves the right for an extension of time as required.

## EVALUATION CRITERIA

ALEA's Proposal Evaluation Committee will evaluate proposals using the following criteria:

## COST OF RESULTING CONTRACT AND BILLING

The total cost of a resulting contract shall be a fixed fee for the homeland security assessment and planning services to be provided throughout the service contract, to be utilized at the sole option of ALEA. The resulting contract shall not exceed the total cost quoted by vendor in its proposal.

Vendor will be required to submit invoices to ALEA for services provided pursuant to a services contract.

Vendor shall not bill ALEA for any taxes unless a statement is attached to the bill identifying the tax and showing why it is legally chargeable to ALEA. If it is determined that taxes are legally chargeable to ALEA, ALEA will pay the tax as required. State and federal tax exemption information is available upon request. ALEA does not warrant that the interest component of any payment is exempt from income tax liability.

All payments will be made to conform to State fiscal year requirements, notwithstanding any contrary provision in the contract. This may include prorating payments that extend beyond the end of ALEA's fiscal year.

### RESERVATIONS

In addition to any other reservations made herein, ALEA hereby reserves the right to cancel this RFP; to reject any or all proposals; to reject individual proposals for failure to meet any requirement; to award by item, part or portion of an item, group of items, or total; and to waive minor defects and/or seek additional proposals; and also reserves the right to award one or more professional service contracts that ALEA determines to be in the best interest of the state and ALEA. All services may be awarded to one (1) professional service provider or ALEA may award different services described in the RFP to different providers.

The listing of NIMS compliant jurisdictions and agencies will be documented, maintained, and distributed by the NIMS point of contact at AEMA.

If any Sub-Grantee allocates Homeland Security Grant Program funding for a city, town or agency that is not NIMS compliant, the reimbursement claim will not be processed by ALEA and the claim will be returned without action.

listed on the current version of the Authorized Equipment List (AEL). Additionally, a revised BDW must be submitted for addition or deletion of any items from the original worksheet. **Overtime and Backfill:** Sub-Grantees must read and comply with the funding restrictions provided in FY16 Homeland Security Grant Program guidance. A summary of the funding restrictions pertaining to overtime is provided below. Overtime will not typically be authorized and all requests for overtime must be coordinated in advance and approved by ALEA.

**Organizational Overtime:** Overtime costs are allowable for personnel to participate in information, investigative, and intelligence sharing activities specifically related to homeland security and *specifically requested by a Federal agency*. Allowable costs are limited to overtime associated with federally requested participation in eligible fusion activities including anti-terrorism task forces, Joint Terrorism Task Forces (JTTFs), Area Maritime Security Committees (as required by the Maritime Transportation Security Act of 2002), US DHS Border Enforcement Security Task Forces, and Integrated Border Enforcement Teams.

**Operational Overtime:** In support of efforts to enhance capabilities for detecting, deterring, disrupting, and preventing acts of terrorism, operational overtime costs are allowable for increased security measures at critical infrastructure sites during US DHS-declared periods of increased security. Subject to these elevated threat level conditions, HSGP funds requested for organizational costs may be used to support select operational expenses associated with increased security measures at critical infrastructure sites. In order to expend HSGP funds on operational overtime costs, prior approval in writing must be provided by the FEMA Sub-Grantee. Consumable costs, such as fuel expenses, are *not allowed* except as part of the standard National Guard deployment package. Unless Sub-Grantee is a part of the Operation Stonegarden in conjunction with FEMA/DHS and Office of Border Patrol and Customs.
