**Homeland
Security**

What is the Nonprofit Security Grant Program?

The Nonprofit Security Grant Program (NSGP) provides funding support for target hardening and other physical security enhancements to nonprofit organizations that are at risk of a terrorist attack.

Under the Fiscal Year (FY) 2019 NSGP, \$60 million will be awarded:

- \$50 million for NSGP-Urban Area (NSGP-UA)
- \$10 million for NSGP-State (NSGP-S)

**Homeland
Security**

What is the difference between Nonprofit Security Grant Program- Urban Area and Nonprofit Security Grant Program- State?

Example: Texas FY 2018 Urban Area Working Groups

FY 2019 NSGP Notice of Funding Opportunity will include a list of the current year Urban Area Security Initiative (UASI)-designated urban areas

**Homeland
Security**

Who is eligible to apply for NSGP funding?

Homeland
Security

How do you contact a State Administrative Agency?

State Administrative Agency Contact List

Homeland
Security

What is an eligible nonprofit organization?

1. An organization described under section 501(c)(3) of the Internal Revenue Code of 1986; and
2. Located within an UASI-designated urban area - for NSGP-Urban Area (NSGP-UA); or located outside of an Urban Area Security Initiative-designated urban area – for NSGP-State (NSGP-S); and
3. An organization is at high risk of a terrorist attack.

What kinds of cost are allowable?

- Security Related Planning
- Security Related Exercise
- Security Related Training
- Equipment - Authorized Equipment List (AEL) Sections 14 and 15:
- Construction/Renovation - Must be approved by FEMA in writing prior to the use of NSGP funds for construction or renovation

Where is the Authorized Equipment List?

Authorized Equipment List

The Authorized Equipment List (AEL) is a list of approved equipment types allowed under FEMA's preparedness grant programs. The intended audience of this tool is emergency managers, first responders, and other homeland security professionals. The list consists of 21 equipment categories divided into categories, sub-categories and then individual equipment items. NOTE: There are no commercially available products listed; it only consists of equipment types.

What is the maximum award for a nonprofit organization?

- FY 2018 NSGP-UA maximum award: \$150,000
- FY 2018 NSGP-S maximum award: \$100,000
SAA may cap the maximum award at a lesser amount

Check the FY 2019 NSGP Notice of Funding Opportunity for the maximum award amount.

**Homeland
Security**

What does a complete application package include?

- Mission statement;
- Vulnerability Assessment specific to the facility being applied for;
- Investment Justification or application form;
- Supporting documentation that substantiates threat, if applicable; and
- Any other State Administrative Agency required information.

What is a Vulnerability Assessment?

- Assess vulnerability and risk of a facility
- Conducted by security expert
- Inform an organization on what investments or procedures that may address risk and vulnerabilities

RESOURCE:

**Vulnerability Assessment
Information - Hometown Security**

<https://www.dhs.gov/hometown-security>

Email for additional information and vulnerability assessment information requests NICC@hq.dhs.gov

**Homeland
Security**

What makes a strong Investment Justification?

- Clearly identified risks and vulnerabilities;
- Description of findings from a previously conducted vulnerability assessment;
- Details of any incident(s) including description, dates etc.;
- Brief description of supporting documentation such as police reports or photographs, if applicable;
- Explanation of how proposed investments will mitigate or address vulnerabilities identified from the vulnerability assessment;
- Establish a clear linkage with the investment(s) and core capabilities (See National Preparedness Goal);
- Proposed activities that are allowable costs;
- Realistic milestones that consider Environmental Planning and Historic Preservation review process, if applicable; and
- Brief description of the project manager(s) level of experience.

How are applications reviewed?

- Two-phased State Administrative Agency (SAA) and Federal Review: using the *NSGP Investment Justification Scoring Worksheet in the Notice of Funding Opportunity*
- Results of which inform the final funding decisions made by the Secretary of Homeland Security

*SAA Contact List

FY 2018	\$60,000,000	963	526
TOTAL	\$263,969,500	9,323	3,112

Where can I learn more about the FY 2019 NSGP?

The Notice of Funding Opportunity (NOFO) is the official document that contains all information and requirements for the current year NSGP. The FY 2019 NSGP NOFO will be released no later than April 16, 2019.

- ✓ Check with your SAA for updates and requirements
- ✓ Check the FEMA website for the NOFO Release <http://fema.gov/grants>

The screenshot shows a web browser window with the URL <https://www.fema.gov/grants>. The page features the FEMA logo and a navigation menu on the left. The main content area is titled "Grants" and contains a description of preparedness grants funding. A red arrow points from the "About the Agency" section of the navigation menu to the "News And Announcements" section of the main content area. The "News And Announcements" section is expanded and lists several press releases and grants.

Grants

This section of the site contains information on preparedness grants funding provided by FEMA to state, local, tribal, and territorial governments in the form of non-disaster grants. Preparedness and other grant programs support our citizens and first responders to ensure that we work together as a nation to build, sustain, and improve our capability to prepare for, protect against, respond to, recover from, and mitigate all hazards. These grants support our grantees develop and sustain capabilities at the state and local, tribal, and territorial levels and in our nation's highest-risk transit systems, ports, and along our borders to prevent, protect against, respond to, recover from, and mitigate terrorism and other high-consequence disasters and emergencies.

FEMA Strategic Plan

2018 2022

Strategic Plan

Helping People. Together.

FEMA Mission: **Helping people before, during, and after disasters.**

STRATEGIC GOALS

I. BUILD A CULTURE OF PREPAREDNESS

- OBJECTIVES**
- 1.1 Incentivize investments that reduce risk, including pre-disaster mitigation, and reduce disaster costs at all levels
 - 1.2 Close the insurance gap
 - 1.3 Help people prepare for disasters
 - 1.4 Better learn from past disasters, improve continuously, and innovate

II. READY THE NATION FOR CATASTROPHIC DISASTERS

- 2.1 Organize the "BEST" (Build, Empower, Sustain, and Train) scalable and capable incident workforce
- 2.2 Enhance intergovernmental coordination through FEMA Integration Teams
- 2.3 Posture FEMA and the whole community to provide life-saving and life-sustaining commodities, equipment, and personnel from all available sources
- 2.4 Improve continuity and resilient communications capabilities

III. REDUCE THE COMPLEXITY OF FEMA

- 3.1 Streamline the disaster survivor and grantee experience
- 3.2 Mature the National Disaster Recovery Framework
- 3.3 Develop innovative systems and business processes that enable FEMA's employees to rapidly and effectively deliver the agency's mission
- 3.4 Strengthen grants management, increase transparency, and improve data analytics

FEMA Vision:
A prepared and resilient Nation.

You Are the Help Until Help Arrives

Learn five simple steps that may save a life

- Call 9-1-1
- Stay Safe
- Stop the Bleeding
- Position the Injured
- Provide Comfort

Life-threatening emergencies can happen fast and emergency responders aren't always nearby. You may be able to save a life by taking simple actions immediately. You Are the Help Until Help Arrives.

You Are The Help Until Help Arrives

Click on the links below to learn more about how you can help:

- An animated **interactive video**
- A **web-based training** program
- A downloadable **instructor guide and student tools** to provide in-person training

Why get involved when someone is badly injured?

According to a recent National Academies of Science study, trauma is the leading cause of death for Americans under age 46. Life-threatening injuries require immediate action to prevent an injured person from dying. Those nearest to someone with life-threatening injuries are best positioned to provide first care.
